RE: Rhodes, et al v. AIG Domestic Claims, Inc., et al
Suffolk Superior Court C.A. No. 05-1360-BLS2

Dear Judge Gants:

The trial in the above-referenced matter commenced on February 6, 2007. Post trial briefs were submitted and final argument was heard on March 30, 2007. While the plaintiffs and their counsel are mindful of the extreme pressure that the criminal system, together with an overload of civil cases, puts on the Court, we have been instructed by our clients to inquire when they might expect a ruling in their case.

Any guidance the Court can provide will be greatly appreciated.

Very truly yours,

BROWN RUDNICK BERLACK ISRAELS LLP
